We find the best way.

Lamaignere Cargo has over 100 years of experience as a global freight forwarder and has gained the trust of its customers in such key countries as Spain, Chile, Mexico, USA, Korea, Singapore, Vietnam, China, Taiwan, Myanmar, to name a few.

The company offers integrated logistics solutions through its own experts and specialists who have extensive experience in providing services to the aerospace and solar energy industries, as well as to the various infrastructure supply sectors. Lamaignere services also develops custom-made solutions to customer specific projects to accommodate all transportation modes.

Our mission is to build strong relationships with all our stakeholders with a vision of becoming a consolidated and global company with a robust digital business strategy.

Lamaignere Cargo China has 13 offices in the cities and key points of China, with connections as important as our **Hong Kong office and Myanmar office**.

The active and densely populated urban center of **Hong Kong** is an important port and a global financial center, and also an important commercial destination that has the commercial district, Central, with important architectural elements such as the Bank of China Tower of I.M. Pei.

We can give strong logistical support worldwide with more than 350 employees in China and 393 employees between all the offices of the Asian peninsula.

In addition, our strong presence in China, together with Myanmar and Hongkong, is the perfect component for all operations carried out in the Asian continent, thanks to the bridges we can create with other offices such as the offices of Lamaignere Taiwan, the office of Lamaignere Korea and Lamaignere Dubai, in the Arab Emirates.

Lamaignere Cargo Taiwan complements the coverage offered by Lamaignere Cargo China, Myanmar and Hong Kong through Asia adding a new bridge with Singapore, Korea and China.

The quick growth and industrialization of Taiwan makes it today one of the most potential and important territories along Asia with Hong Kong, Singapore and South Korea. This makes it one of the main points of commercial and project interest.

4 offices and more than 180 employees make Taiwan a great addition to the Lamaignere fleet.

“A great connection in the Asian continent”.
