About Lamaignere

Lamaignere Cargo has over 100 years of experience as a global freight forwarder and has gained the trust of its customers in such key countries as Spain, Chile, Mexico, USA, Korea, Singapore, Vietnam, China, Taiwan, Myanmar, to name a few.

The company offers integrated logistics solutions through its own experts and specialists who have extensive experience in providing services to the aerospace and solar energy industries, as well as to the various infrastructure supply sectors. Lamaignere services also develops custom-made solutions to customer specific projects to accommodate all transportation modes.

Our mission is to build strong relationships with all our stakeholders with a vision of becoming a consolidated and global company with a robust digital business strategy.

“Korea presents an exciting opportunity for several companies located in our direct presences like China, Taiwan, Singapore, USA, Spain, etc”.
